

Operative C Morgan

414
New Brunswick, N.J.
Oct. 13th, 1926

This A.M. operative left Mr. Watson's office with Mr. Thompson and Mr. Carpenter and went to Mr. Carpenter's home where I was shown the children's play house in the rear of Mrs. Hall's home and then given the keys to the play house. We then returned to town.

At 11:30 P.M. Operative arrived at the play house in the rear of Mrs. Hall's home and remained inside to watch and try to get the number of an auto which has been coming around at midnight and leaving around 4 A.M.

Operative remained in the play house until 5:45 A.M. Thursday and as no one appeared, returned to town.

Respectfully submitted:
